

INDUSTRY PROFILE

Leading Manufacturers & Exporters of World Class Surfactant Chemicals

LABSA

AOS

SLES

SLS

Introducing our Speciality/Performance Chemical Division

CAPB (SaiHPC)
Cocamidopropylbetaine

01

CDEA (SaiViscoD)
Coco Diethanolamide

02

CMEA (SaiViscoM)
Coco
Monoethanolamide

03

EGDS (SaiSparkD)
EthyleneGlycol
Distearate

04

05

EGMS (SaiSparkM)
Ethylene Glycol
Monostearate

06

LAO (SaiAmino)
Lauryl Amine Oxide

07

CAPAO (SaiDis C)
Cocoamidopropyl
amine oxide

08

BKC (SaiDis B5)
Benzalkonium
Chloride 50% & 80%

Your Reliable and Preferred
Supplier for

Home and Personal
Care Products

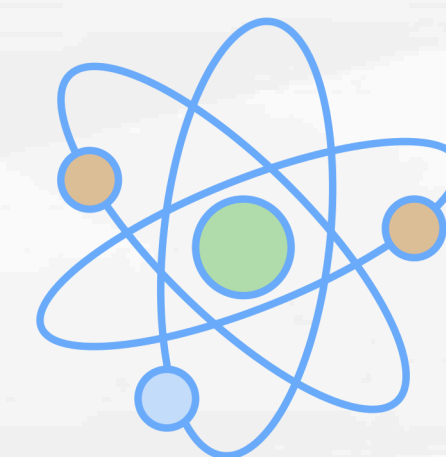

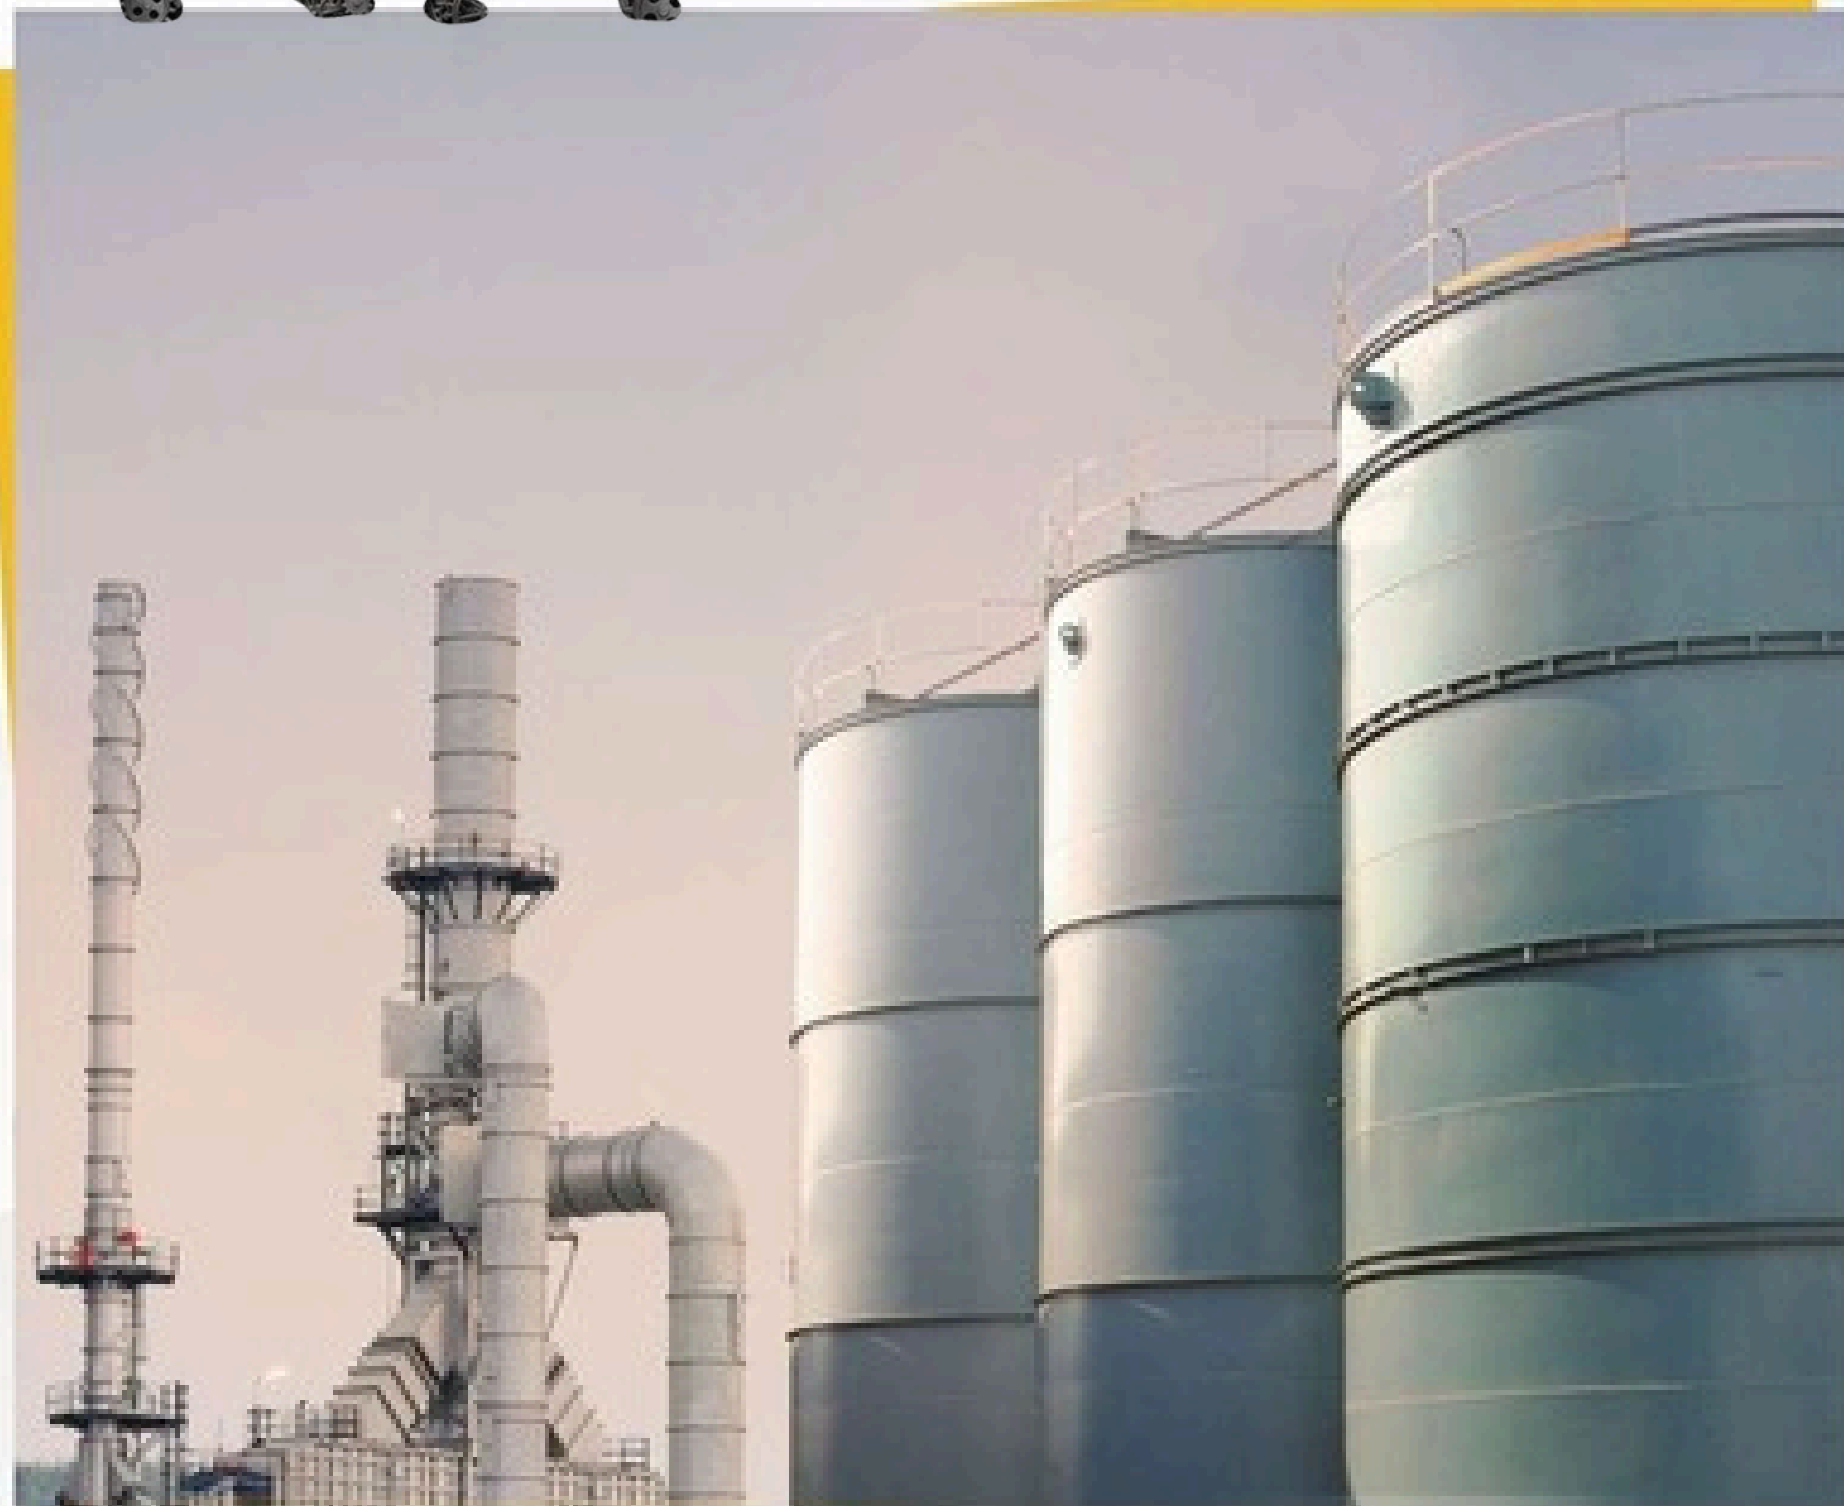

Industries Used

- **FMCG**
- **Home and Personal Care**
- **Automotive Care**
- **Textile**
- **Agro**
- **Oil and Gas**

Continuous Product **Innovation**
is a priority for our in-house
Research & Development Team

1,65,000 Tons

**Approx. Production Per Year of
Various Surfactants making us
one of the Largest surfactant
manufacturer in India**

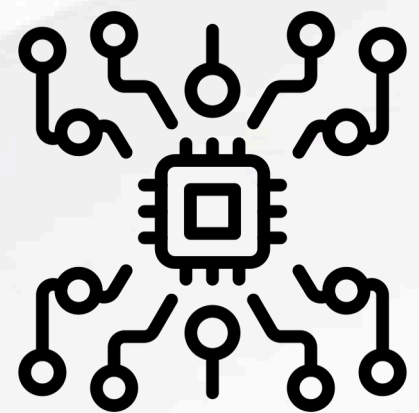

Switch Button Facility

To switch between different organics under the same facility

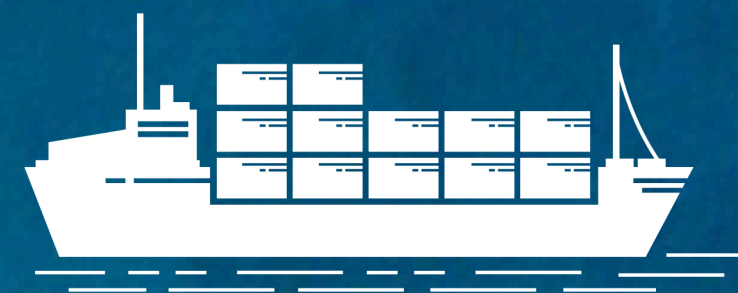

Entire Production is Closely Monitored
through **Hi-Tech Equipments**

Mix of different surfactants
in a single shipment possible

Facilities located close to **Mumbai**,
India's Largest International Port
with direct sailing vessels worldwide.

Currently Exporting to 70+ countries across the Continents

- Catering to 300+ customers
- Over 70 + countries
- Satisfied and happy customers
- Globally expanding even more

"To become a global leader in the surfactants and packaging industry through superior quality, cutting-edge technology, sustainability and innovation."

Our Mission

QUALITY is our PRIORITY 

All our units are ISO Certified

SGS

Government Recognised and Awarded

Export House for over 4 Decades

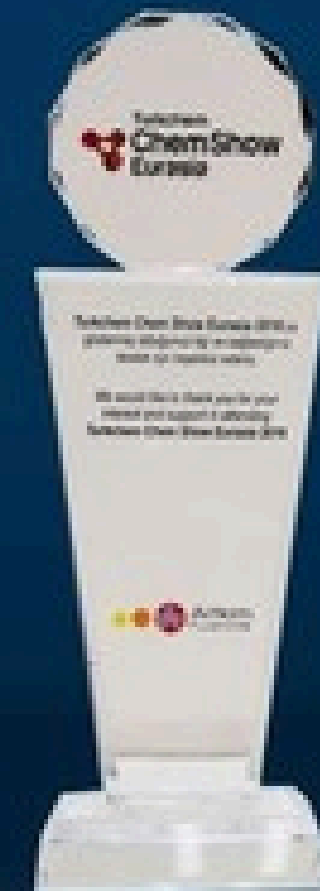

Awarded by

Jordanian International
Detergent Symposium

Awarded by

Export Promotion Council for
EOQs & SEZs

Awarded by

Tukchem Chem Show
Eurasia

Global Brands We Are Associated With

Hindustan Unilever Limited

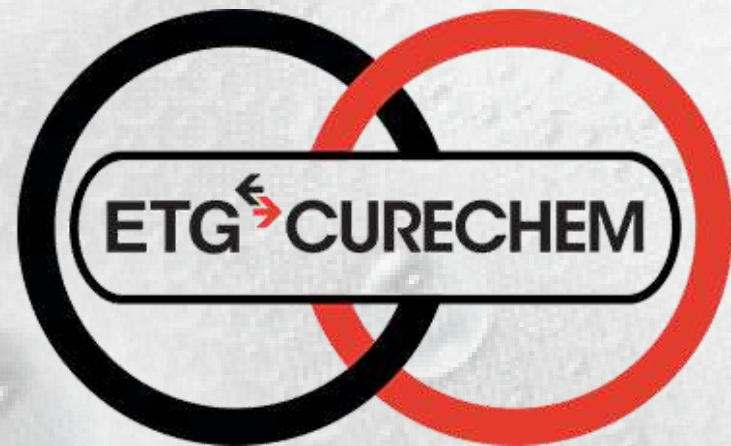

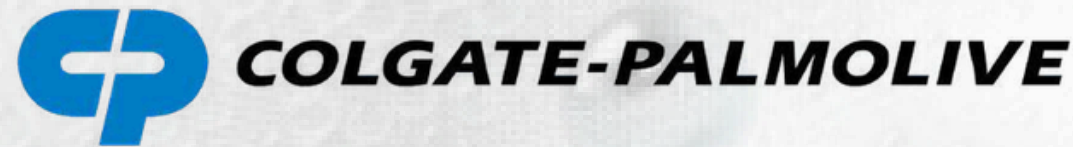

P&G

TATA CHEMICALS LIMITED

Sustainable Environment Practices

Ensuring Safety of Employees,
Products & Community at Large

Green energy and Solar Power

Group Interests spread to
Manufacturing **PP Woven Bags**
for Industrial Packaging use.

Wide Range of PP Woven Bags Laminated / Non Laminated, BOPP Bags, Block Bottom and Leno Bags

Supplying High Quality **FIBC Bags**
for **Bulk Material Handling** in Sugar,
Cement, Food, etc. Industries

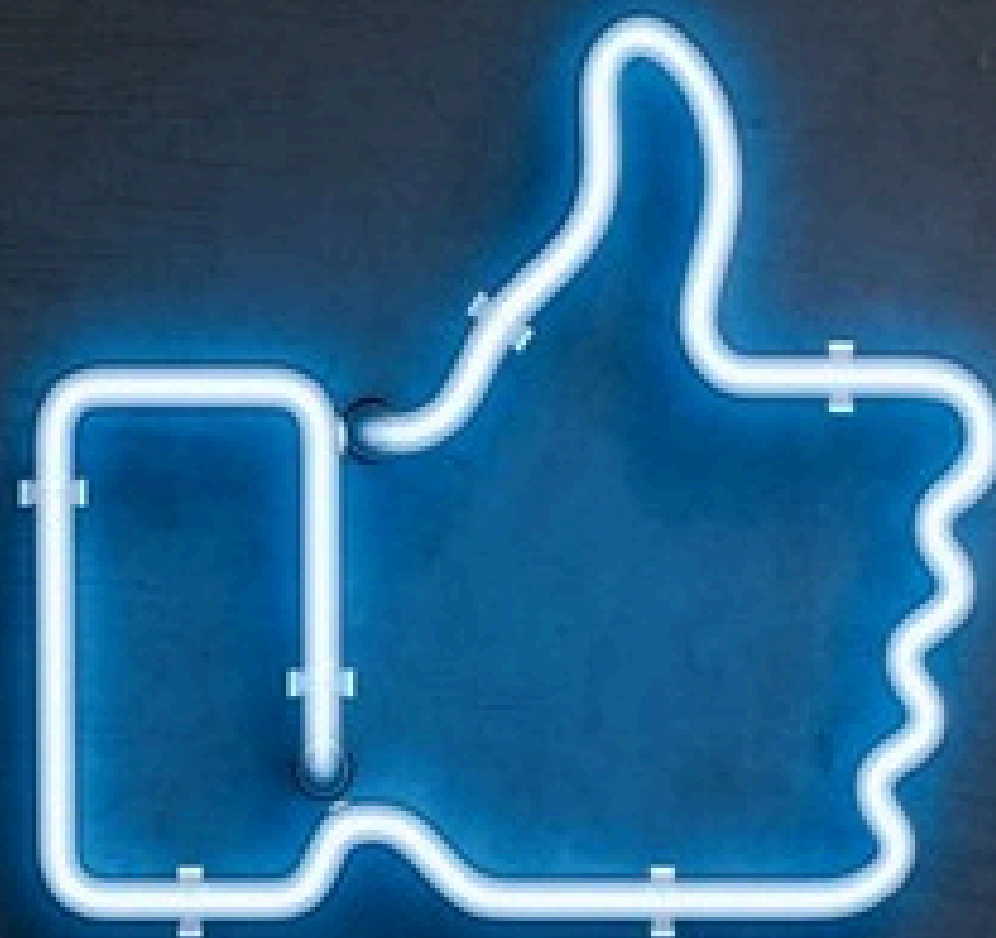

Driving **Excellence** Forward
